Marco Tarabini

Vice Rector of the Lecco Territorial Campus, Politecnico di Milano

Marco Tarabini is Vice Rector of the Lecco Territorial Campus and Full Professor of Mechanical and Thermal Measurements at the Department of Mechanical Engineering, Politecnico di Milano.

His work combines applied research, industrial innovation and technology transfer, with a focus on measurement systems, sensors, vibration, biomechanics and technological solutions for industry.

He has coordinated more than 40 research projects funded by public institutions and private companies, is co-inventor of six patents and author of more than 200 Scopus-indexed publications.

He has also held scientific and technical leadership roles in several national and international research organisations.
